Notice Concerning Transferability of Credits and Credentials Earned

The transferability of credits you earn at TGA Truck Driving School is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma or certificate you earn at TGA Truck Driving School is also at the complete discretion of the institution to which you may seek to transfer. If the credits, diploma or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending TGA Truck Driving School to determine if your credits, diploma or certificate will transfer.

Transfer Credit for Previous Education

Students who request to transfer credits from previously attended institutions must submit sealed official transcripts to the Admission's Office from originating institutions. Only official transcripts from institutions accredited by agencies recognized by the U.S. Department of Education will be accepted for transfer credit evaluation. In addition to official transcripts, copies of course descriptions, school catalogs, and course syllabi may also be required for evaluation purposes. Military service veterans are required to provide official transcripts for all prior postsecondary educational courses successfully completed in order to be reviewed for potential transfer credits. This institution will require about each veteran or eligible person's previous education and training, and request transcripts from all prior institutions. Previous transcripts will be evaluated and credit will be granted, as appropriate. The veteran or eligible person will be notified of the evaluation result. The Veterans' Administration will also be notified of the credit(s) granted to veteran students.

Sealed official transcripts must be received prior to the first day of the first class in which the student commences his or her education at the School. If official transcripts are not received within the appropriate time frame, credit may be awarded at the School Director's discretion.
