COURSE BREAKDOWN

CDLLiftSM Truck-Driver Training Program provides students with 12 hours of individual training within 3 weeks. Drivers will learn the proper techniques to operate and shift a 10-speed transmission and properly perform the air-brake inspections of a vehicle. The school will provide the use of a truck for the DMV road exam.

ADVANCE DRIVING TECHNIQUES

12 Contact Hours

4-weeks

Drivers will be shown the proper procedures of testing an air-brake system; required during the CDL exam. Drivers will also be shown the proper techniques of how to operate a 10-speed transmission, upshifting, downshifting, driving on public roads, and highways.

The use of the school's vehicle is available for testing upon completion of the program. Two (2) attempts of the CDL exam is allowed under the **CDLLiftSM** program. Additional training is charged at a rate of \$125.00/hour.

SCHEDULE EXAMPLE

Below is an example of the schedule for classes held between 6AM – 12PM and 1PM - 6PM. The 6PM – 10PM is not available for **CDLLiftSM** participants.
